

REMARKS

The foregoing amendments to the specification were made to conform to U.S. practice. The subject matter added to the description of the preferred embodiment can be found on Page 4 of the conformed copy of the translation starting at line 19. Accordingly, no new subject matter has been introduced by the foregoing amendments. The conformed copy of the translation has been formatted to facilitate an understanding of where the translated amendments, made during PCT prosecution, are to be inserted. Entry of this amendment and favorable consideration of the application are respectfully requested.

Respectfully submitted,
